

AMENDMENTS TO THE CLAIMS:

Kindly amend claims 1, 4-6, 10-21, as shown below.

This listing of claims will replace all prior versions and listings of claims in the Application:

Claim 1 (currently amended): A pharmaceutical delivery package ~~comprising~~ consisting of fixed unit dose quantities of two or more different powdered pharmaceutical ingredients ~~combined in and~~ separated from one another on an ingestible membrane which forms a single delivery package, wherein said ~~delivery package comprises an~~ ingestible membrane ~~having~~ has selected permeability porosity to fluids for controlled release of said powdered pharmaceutical ingredients at a selected site or sites within a patient's alimentary canal.

Claim 2 (canceled)

Claim 3 (previously presented): A pharmaceutical delivery package according to claim 1, wherein said membrane comprises an alkali-dissolvable or acid-dissolvable material.

Claim 4 (currently amended): A pharmaceutical delivery package according to claim 1, wherein said two or more ~~pharmaceuticals~~ powdered pharmaceutical ingredients are deposited on said membrane, separated from one another by one or more barriers or membranes.

Claim 5 (currently amended): A pharmaceutical delivery package according to claim 1, and further comprising an adhesive on ~~[[the]]~~ an outer surface of the membrane.

Claim 6 (currently amended): A pharmaceutical delivery package according to claim 5, wherein the adhesive is acid or ~~alkylene~~ alkaline activatable.

Claim 7 (original): A pharmaceutical delivery package according to claim 5, and further comprising an alkali or acid dissolvable membrane covering the adhesive.

Claim 8 (original): A pharmaceutical delivery package according to claim 1, wherein said membrane comprises a material which expands upon contact with acid or alkaline in the alimentary canal, whereby to become more porous.

Claim 9 (currently amended): A pharmaceutical delivery package according to claim 1, wherein said membrane is formed into a tablet or capsule.

Claim 10 (currently amended): A pharmaceutical delivery package according to claim ~~[[9]]~~ 1, wherein said ~~active~~ powdered pharmaceutical ingredients are segregated from one another in a compartmentalized capsule.

Claim 11 (currently amended): A pharmaceutical delivery package according to claim ~~[[9]]~~ 1, wherein said ~~pharmaceuticals~~ powdered pharmaceutical ingredients are segregated from one another in a tablet.

Claim 12 (currently amended): A pharmaceutical delivery package according to claim ~~[[9]]~~ 1, wherein said ~~pharmaceuticals~~ powdered pharmaceutical ingredients are encapsulated within inert coatings.

Claim 13 (currently amended): A pharmaceutical delivery package according to claim 1,
comprising a mixture of Ketoconazole and testosterone.

Claim 14 (currently amended): A pharmaceutical delivery package according to claim 1,
comprising a mixture of Valacylovir and one or both of Cimetidine and Probenecid.

Claim 15 (currently amended): A pharmaceutical delivery package according to claim 1,
comprising a mixture of Enalapril and a ~~beta-adrenergic blocking~~ beta-adrenergic blocking
agent, methyldopa, nitrate, a calcium blocking agent, hydrazinc, Prazosin or Digoxin.

Claim 16 (currently amended): A pharmaceutical delivery package according to claim 1,
comprising a mixture of Omeprazole and B12.

Claim 17 (currently amended): A pharmaceutical delivery package according to claim 1,
comprising a mixture of Omeprazole and Clarithoromycin.

Claim 18 (currently amended): A pharmaceutical delivery package according to claim 1,
comprising a mixture of Tamoxifen and a diuretic.

Claim 19 (currently amended): A pharmaceutical delivery package according to claim 1,
comprising a mixture of Isotretinoin and an oral contraceptive.

Claim 20 (currently amended): A pharmaceutical delivery package according to claim 1,
comprising a mixture of Metformin HCl and ~~Selfonylurea~~ Sulfonylurea.

Claim 21 (currently amended): A controlled release pharmaceutical delivery package ~~comprising~~ consisting of fixed unit dose quantities of two or more different powdered pharmaceutical ingredients combined in a single delivery package, wherein said delivery package comprises an ingestible membrane, and said two or more different powdered pharmaceutical ingredients comprise combinations of ~~pharmaceuticals~~ active pharmaceutical ingredients selected from the group consisting of (a) a mixture of Ketoconazole and testosterone, (b) a mixture of Valacylovir and one or both of Cimetidine and Probenecid, (c) a mixture of Enalapril and a beta-adrenergic blocking agent, methyldopa, nitrate, a calcium blocking agent, hydrazinc, Prazosin or Digoxin, (d) a mixture of Omeprazole and B12, (e) a mixture of Omeprazole and Clarithromycin, (f) a mixture of Tamoxifen and a diuretic, (g) a mixture of Isotretinoin and an oral contraceptive, and (h) a mixture of Metformin HCl and ~~Solfonylurea~~ Sulfonylurea.
